

## SEIZURES

Dear Parents/Guardians:

If your child has a history of seizures please be aware that there is paperwork that needs filled out every year by your child's primary care physician. Please have your physician fill out a **Seizure Action Plan**. This action plan will include information needed if your child would happen to have a seizure while they are at school.

Please note that I will need a doctor's order for ANY medication used to manage your child's seizures at school. This DOES include any over-the-counter medications.

If you have any questions, please feel free to contact me at 573-734-6111.

Thank You,

*Rylie Grundmann, RN*
