

## DIABETES

Dear Parent/Guardian:

If your child has been diagnosed with diabetes please be aware that I will need paperwork filled out each school year by your child's primary care physician. Your physician will need to fill out a ***Diabetes Emergency Action Plan***. You will be responsible for providing your child with appropriate equipment to manage their diabetes at school.

Please note that I will need a doctor's order for ANY medications used to manage your child's diabetes at school.

If you have any questions please feel free to contact me at 573-734-6111.

Thank You
